# BEFORE Visiting the Paperwork Website

- ▶ **BAND REQUIREMENTS:** Prior to starting, you will need the following documents available to complete the registration process:
  - 1) Government issued photo identification of the parent or legal guardian completing/signing the registration with the student - when scanning this document, make sure all information is clearly visible in the picture and that the ID is not expired.
  - 2) Certificates for the three required FHSAA videos (in the STUDENT'S name) from [nfhslearn.com](http://nfhslearn.com).
    - Videos must be completed after May 15 of the current year to be accepted for the following school year.

# FHSAA Video Instructions

- ▶ Viewing the videos is required each year. For the 2024-25 school year, videos must be viewed AFTER May 15, 2024.
- ▶ [www.nfhslearn.com](http://www.nfhslearn.com)
- ▶ Have the student log in or create an account. Be sure when asked for the name on the certificate the STUDENT'S GIVEN NAME is entered and NOT the parent. The student is responsible for watching the videos, not the parent.
- ▶ Order the following courses (they are FREE). Once you have completed checkout, the student can access the courses in their dashboard.
  1. Concussion in Sports - What You Need to Know (about 45min)
  2. Heat Illness Prevention (about 45min)
  3. Sudden Cardiac Arrest (about 15min)Once the student has completed all three courses, download or screenshot the certificates.

Don't go on until your child has  
watched the three videos and has  
the certificates.
